

**BUILT
DIFFERENT**

 **Cub Cadet**
PRO SERIES

It's easy to stick with what you know.

But real progress starts with doing something **different**.

Different isn't afraid to stand out.

Different doesn't back down from an uphill battle.

Different pushes the limits of what's possible.

Different is the beating heart of innovation.

The Pro Series™ by Cub Cadet®.

BUILT DIFFERENT

cubcadet.ca/pro

A man wearing a grey baseball cap, sunglasses, and an orange safety vest is operating a yellow riding lawn mower. The mower is cutting grass on a green lawn, and a large pile of cut grass is visible in the foreground. The background consists of dense green foliage.

PRO Z™ SERIES

Your difference maker.

It takes a different kind of person to do what you do. And a different kind of machine. The PRO Z™ Series was built for exactly that. Maintenance-free spindles and EFI engine options amp up your productivity, while a fully welded frame and commercial-grade deck were engineered to stand up to tough demands for years to come.

The PRO Z™ Series offers category-exclusive steering systems engineered to tackle challenging terrain with up to a 20-degree incline. Add it to your crew and see the PRO Z™ difference for yourself.

What makes the Pro Z™ Series?

CATEGORY-EXCLUSIVE STEERING SYSTEMS

EPS STEERING WHEEL & LAP BAR

COMMERCIAL-GRADE STRENGTH

7-GAUGE STEEL DECK

EASY AND QUICK DECK ADJUSTMENTS

ELECTRO-HYDRAULIC LIFT SYSTEM†

HILLSIDE STABILITY

REAR DUAL-WHEEL TRACTION*

PRISTINE PASSES

MARBAIN® BLADES

†Standard on the PRO Z™ 972 SD and PRO Z™ 972 SDL. Available as an attachment, sold separately. *Only available on the PRO Z™ 900 Series

PRO Z 972 SD

PRO Z™ 700

HORSEPOWER:
Up to 31 hp**

ENGINE DISPLACEMENT:
Up to 999cc

DECK SIZES:
54", 60" and 72"

REAR TIRES:
24" x 12" - 12"

WARRANTY:
3-year, no-hour-limit limited warranty /
5-year, 1200-hour-limit limited warranty

PRO Z™ 900

HORSEPOWER:
Up to 38.5 hp**

ENGINE DISPLACEMENT:
999cc

DECK SIZES:
60" and 72"

REAR TIRES:
Up to 26" x 12" - 12"

WARRANTY:
3-year, no-hour-limit limited warranty /
5-year, 1200-hour-limit limited warranty

PRO Z™ ATTACHMENTS

Attachments Sold Separately

PCS 1900 power collection system
19-inch diameter impeller housing and
a 12-bushel, three-bag collection system.

Mulch kit

Mulching your lawn clippings allows for quick decomposition and returns essential nutrients back to the yard.

PRO Z™ DUAL-WHEEL SERIES

Hillside stability solved.

You never back down from a challenge. That's why the PRO Z™ SD and SDL are dual-wheel commercial zero-turns specifically engineered to tackle challenging terrain with up to a 25-degree slope. And with up to 30 degrees of self-leveling air-ride seat comfort (exclusive to the SDL) these mowers are built to tackle properties with hilly and varying terrain.

DUAL REAR WHEELS

Oversized dual rear wheels help provide stability, traction and precision on the PRO Z™ 972 SD and SDL.

PRO Z™ 972 SD EFI

HORSEPOWER:
38.5 hp**

SEAT SWIVEL:
-

WARRANTY:
3-year, no-hour-limit
limited warranty /
5-year, 1200-hour-limit limited warranty

PRO Z™ 972 SDL EFI

HORSEPOWER:
38.5 hp**

SEAT SWIVEL:
Self-leveling air-ride seat

WARRANTY:
3-year, no-hour-limit
limited warranty /
5-year, 1200-hour-limit limited warranty

MAXIMIZED COMFORT

The self-leveling
air-ride seat on the PRO Z™
972 SDL lets you operate
with up to 15 degrees
of self-leveling
from side to side.

HILLSIDE CONFIDENCE

Four-wheel steering control with power steering
for hillside stability.

- A** Up to a 25-degree slope
- B** Category exclusive steering wheel control
with power steering
- C** Dual wheel traction control

Deck size: 72"

PRO Z™ COMFORT

A different level of comfort.

When days are as long as yours, comfort isn't just nice to have—it's necessary.

That's why we designed the PRO Z™ series to be a smooth ride. Innovative features like the isolation dampening system and air-ride suspension help absorb impacts of the job, while adjustable seat firmness, lumbar support and padded armrests provide additional comfort so you'll be able to go the distance.

PRO Z™ AIR-RIDE SEAT

Our air-ride seat allows riders to adjust seat firmness to their personal preference. Standard on the PRO Z™ 900.

- A** Air-ride control
- B** EVC cushion (elastic vibration control)
- C** Isolation-dampening system
- D** Angle-back adjustment
- E** Adjustable padded armrests
- F** Adjustable lumbar support

PIVOTING FRONT AXLE WITH ISOLATION-DAMPENING SYSTEM MOUNTS

A pivoting front axle allows the front end of the PRO Z™ to ride across uneven terrain while helping protect the quality of the cut.

The frame and axle float as the PRO Z™ moves, allowing the deck to follow the shape of the terrain and help avoid scalping.

- A** 2 1/4" of travel
(4 1/2" of total travel)
- B** Isolation-dampening system
(standard on the PRO Z™ 900 Series)
- C** Maximum angle of travel up to 6 degrees

PRO Z™ STRENGTH

Strength without compromise.

You expect the best and the PRO Z™ Series deck delivers. Fully fabricated and triple plated steel thickness with top and bottom reinforcements—so you can power through the rigors of your job, day in and day out.

DECKS BUILT TO LAST

Tackle tough conditions with a triple-7-gauge steel cutting deck: a 7-gauge deck shell with 7-gauge top and bottom reinforcements.

Durability

- A** 1/4" leading rolled edge
- B** 5/16" steel side reinforcements
- C** 3/4" wear guard
- *** Maintenance-free spindle assembly

Quality Cut

- D** Flexible rubber discharge chute
- E** High-lift Marbain® blades
(with blade tip speed up to 18,500 fpm)
- F** Adjustable rear striping roller
(standard on the PRO Z™ 900 Series)

HARD-WORKING FRONT END

Help absorb the impact of rough terrain with front-end construction featuring a combination of axle, hub and yoke size.

- A** 2" x 3" pivoting front axle
- B** Isolation-dampening system
(standard on the PRO Z 900 Series)
- C** 5" steel hubs
- D** 1/2" thick steel front yokes
- *** Sealed maintenance-free ball bearings

PRO Z™ PERFORMANCE

Built to meet high standards.

High standards like yours need high performance. That's why the PRO Z™ Series was engineered for consistent cut quality, in varying conditions. Featuring high-torque, commercial transmissions and high-horsepower, commercial-grade engines for optimal blade tip speed—and precise, single passes through thick grass.

POWERFUL KAWASAKI® ENGINES

EFI engine technology available on select models

- Designed to deliver excellent horsepower
- Optimal balance of torque and power
- Maximum blade tip speed up to 18,500 fpm

Shown above:
Kawasaki FX Series 38.5 hp** (999cc)

MAX SPEED

COMMERCIAL-QUALITY CUT AT HIGH SPEEDS

High-lift Marbain® blades with
blade tip speed up to 18,500 fpm

3" total blade overlap
(help save time by cutting more grass in one pass)

ENGINE HORSEPOWER AND TORQUE

PRO X™ SERIES

Different done better.

Your business stands apart. Your machines should too. The PRO X™ Series takes stand-on productivity to the next level with zero-turn maneuverability, easy-to-adjust suspension and a fully fabricated deck—helping your operation go further.

What makes the Pro X™ Series?

COMPACT FOOTPRINT

OCCUPIES LITTLE TRAILER SPACE

EXCELLENT GROUND CLEARANCE

24-INCH TIRES

OPTIMAL PERFORMANCE
